Subject: Notices Put On Hold, Julie White and White Mountain Mines, S/001/0071 and S/001/0072, Beaver County, Utah

Dear Mr. Nell:

The Notices of Intention to Conduct Small Mining Operations (NOIs), received by the Division May 9, 2008, regarding the Julie White Mine and White Mountain Mine are not being reviewed at this time per your written request of January 21, 2009, and a telephone call on April 6, 2009. If you choose to keep these permits on file, the Division will require that you continue paying permit fees on an annual basis. The Division will retire the files if the permit fees are not paid. Please notify the Division immediately, if you would like these NOIs closed so fees will not be assessed.

In reply, please refer to file numbers S/001/0071 and S/001/0072. Please call me at (801) 538-5261 or Tom Munson at (801) 538-5321 if you have questions about this letter. Thank you for your cooperation.

Sincerely,

Paul Baker
